Re Chicago teletype to Director, this date.

On 7/16/63 GRANVILLE REED, Program Assistant, Chicago Branch, NAACP, 431 South Dearborn Street, Chicago, Illinois, telephonically advised that the NAACP had received a postcard threatening the life of ROY WILKENS.

REED was interviewed on 7/16/63 and made available a pre-stamped postcard. The post mark on this postcard is cut off, however, it appears to have been post marked 7/15/63. The card is handwritten and is addressed to the National Association for the Advancement of Colored People, 431 South Dearborn, Chicago, Illinois. The card reads as follows: "ATTENTION! All N.A.A.C.P. Members! If your head, Roy Wilkens, wants to live beyond Sat. 7/20 he had better leave the country. I warn you I make no empty threats! K. P."

Although this card has been handled by a number of people and by the NAACP Office, the Lab is requested to examine this card for any latent fingerprints and also search the card through the appropriate files to determine if there is any similar correspondence coming to the attention of the Bureau. The Lab is requested to handle this expeditiously in order that the report may be included in the 10-day closing report.

Re Chicago teletypes 7/16/63 and Bureau telephone call
to New York 7/17/63.

Information of Chicago, in referenced telephone call New York was instructed to immediately locate Wilkins and advise him of threat. In event Wilkins remains away from New York, appropriate local authorities covering his present location should also be advised. When Wilkins is located, he should be interviewed to determine if he has any suspects in this matter or knows who might use the initials "K.P."

From a review of information submitted to date, it appears that the post card containing this threat was mailed in the Chicago area. If this is true, Chicago should make inquiry with local authorities to determine if they have any knowledge of any person who might use the name "K.L."

Any logical investigation should be conducted by Chicago and upon receipt of laboratory examinations requested, Chicago will submit two copies of a closing report. Designate one copy for U. S. Attorney, Chicago. Do not consult U. S. Attorney in this matter as Department deserves the right to make all prosecutive decisions in cases of this type. Interview of Wilkins should be included in Chicago closing report. All phases of this matter should be expedited and Bureau kept advised of all pertinent developments.

The card was contained in a stack of other mail for their office, and, as such, was not handled separately by NAACP personnel.

To the best of his knowledge, Mr. KEDD stated, no one other than himself at the NAACP office handled the card. Following its receipt he took the card to the firm of Engle Equipment Company, located in that same building, where he requested [redacted] of that firm to make several b7c photocopy copies of the card. Mr. KEDD stated that he does not know if persons other than [redacted] handled the card, but would attempt to secure [redacted] information as soon as possible. He noted that [redacted] is currently on vacation and should return to the Chicago area during the week August 12-16, 1963.

He stated that in 1955 he served on active duty with the National Guard at Ft. Leonard Wood, Missouri, [redacted]. He stated that he was born January 5, 1934, at Leavenworth, Kansas.
